## DETAILED ACTION

### *Allowable Subject Matter*

1. Claims 1-30 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach or make obvious the steps of or means for **"transmitting said identifying signal on one or more of said inactive sub-carriers for at least a portion of time, wherein said identifying signal identifies a transmitter"**, when such signal is considered within the specific structure of the method recited in claim 1 or the device recited in claim 9. The prior art of record fails to teach or make obvious the steps of or means for **"processing said identifying signal on one or more of said inactive sub-carriers for at least a portion of time, wherein said identifying signal identifies a transmitter"**, when such signal is considered within the specific structure of the method recited in claim 17 or the device recited in claim 24.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
